

European Congress for Social Psychiatry

Social psychiatry at the age of Neurosciences

WASP co-sponsored meeting

GENEVA, Switzerland
4-6 July 2012

Dear colleagues

The Swiss Society for Social Psychiatry (SSPP-SGSP) is greatly honored to invite you to attend and participate in the European Congress for Social Psychiatry co-sponsored by the World Association for Social Psychiatry (WASP) which will be held in Geneva, Switzerland, from July 4th to July 6th 2012.

The main theme of the congress "Social psychiatry at the age of Neurosciences" will encourage the integration between clinical and research perspectives at various levels of understanding and action:

European renowned experts in the field will give keynote lectures as well as symposia and workshops. The congress will host the following tracks:

1. Innovation in social psychiatry
2. Human rights, coercion and violence in European societies
3. Suicide prevention
4. E-mental-health, developments and perspective from the Internet
5. Social psychiatry and neurosciences

Come and enjoy the congress as well as the many cultural and leisure opportunities of Geneva, the little big city, in the very heart of Europe, at the best time to visit it, in early July.

Yours sincerely,

For the organizing committee

The president and co-presidents:

Yasser Khazaal, Gea Besso and Ruth Waldvogel

For the scientific committee

Pr François Ferrero, president and

Pr Danuta Wasserman, co-president
